Re: CTH O Bridge over Norwegian Creek

Dear Jeff:

I would like to thank you and your employees for expediting the delivery of the timber bridge for CTH O over Norwegian Creek. The service you provided was exceptional and the quality of your materials are second to none. When the bridge failed, I thought we were in for a very long and inconvenient winter, on CTH O, but you made sure that didn't happen.

Again, thank you and your crew very much!!!!

Sincerely,
